

Stephen Ruback

Biography Sheet

Dr. Ruback is both a degreed engineer and spiritual healer, actively studying and applying basic operating principles in both areas for more than 35 years. In that time he has provided solutions to a long list of complex technical problems as well as bringing powerful healing energies to hundreds of people.

He leads the way in consciously integrating a working balance between the masculine and feminine energies [analytical and intuitive] for a practical, multi-dimensional approach to spiritual expression and personal empowerment in daily living.

His many activities include spiritual healer, teacher, creator, designer, author, publisher, public speaker, artist, counselor, consultant, minister, engineer and philosopher.

Accomplishment highlights include:

- Doctor of Divinity, minister, healer-counselor
- Certified practitioner of Integrated Etheric Healing
- Reiki Master
- Experienced facilitator for past life regression.
- Degreed Engineer (chemical, mechanical and electrical)
- Dedicated to being a source of light and love, working for the highest and greatest good for all concerned, within the will of our creator.

For people living in the Sugar Land and Houston areas his name may be familiar, especially for those who have ever looked through a Leisure Learning catalog. He teaches a wide range of personal empowerment courses ranging in application from spiritual healing to past life regression. He has helped hundreds of people through personal application of counseling, healing and consulting activities.

Stephen is an experienced radio and TV talk show guest, with additional experience as a radio announcer, and public speaker. He is always happy to discuss a wide range of subjects and raise controversial and thought provoking questions in an entertaining way.

His latest book *THE Quest* Is all about putting more love in your life. Written as an entertaining story, it is filled with new insights and mind awakening exercises that stimulate a whole new way of dealing with the challenges of life.

He is currently developing new personal growth opportunities based on the principles described in *THE Quest*, combined with the recognition that we have all been missing a critical step in building our relationships with others. For example, we tend to jump quickly into roles of partnership and romantic entanglements, yet we trip over the basic concepts of friendship every time. Have you ever been hurt by someone you thought was a friend? How many others do you know with similar experiences? Would you like to avoid that pitfall in the future without becoming a hermit? Help is now available in the form of a nine hour workshop exploring how to develop better relationships with everyone in your life. It is called: *Treasure Maps for Friendship*.
